Catechism

Q 23 Why must the Redeemer be truly God?

That because of his divine nature his obedience and suffering would be perfect and effective; and also that he would be able to bear the righteous anger of God against sin and yet overcome death.

Fighter Verses

Instead you ought to say, "If the Lord wills, we will live and do this Or that." 16As it is, you boast in your arrogance. All such boasting is evil. 17So whoever knows the right thing to do and fails to do it, for him it is sin. James 4:15-17
