SGF Bookstore Featured Books - Same Sex Marriage, A thoughtful Approach to God's design for Marriage by Sean McDowell and John Stonestreet is a must have resource. Although the concept of "same sex marriage" is actually a contradiction of terms, the authors help Christians think clearly, compassionately and courageously about how they should engage this new reality in a winsome and persuasive manner.

The Masculine Mandate, God's Calling to Men by Richard Phillips. The concept of godly manhood has been distorted today. Richard Phillips endeavors to remind men of what biblical manhood-masculinity looks like when grounded in the cultural mandate, the cross, and the ordinary means of grace. May the men of the church answer the call of this mandate to live out their faith courageously as workers, protectors, nurturers and leaders for Christ.
