Hello SGF family - Here is the latest update on where we are as a church going through the shut down. It seems like we are on the tail end and possibly we will be back in our church building soon, given certain criteria are met and best practices established. Of course this is a unique and fluid situation, so please continue in prayer. Below is a link to a video explaining in greater detail what the plan is to this point. Please reach out to me with any questions or concerns.
